The Professional Wireless Charger Factory Supplier

TopWirelessCharger is a new business under our company WSW Co.,Ltd, catering with the emerging trend of Wireless Charging technology.

At TopWirelessCharger, we believe the best way for quality control and long term business relationship is by Selection...

By Selection, we choose to use better quality circuit board and refine the charging software, so quality will always be better.

By Selection, we choose to practice stricter quality control system, so our clients will be more happy with less headache.

By Selection, we choose to continue innovating on the wireless charging technology, so our products will keep updated.

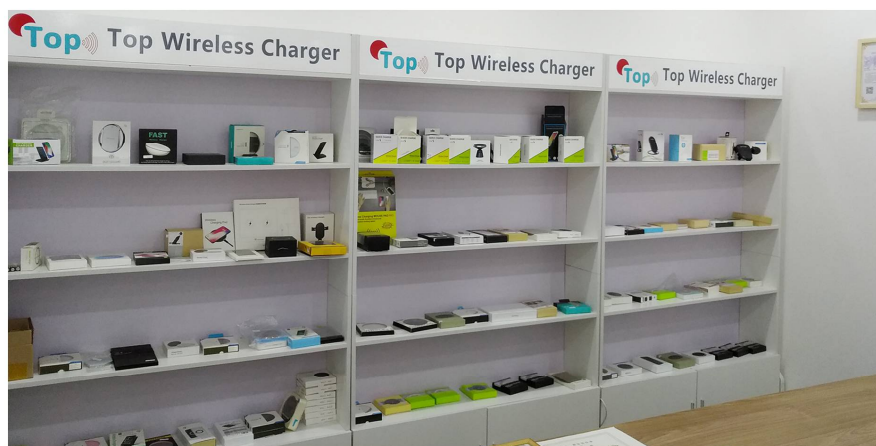

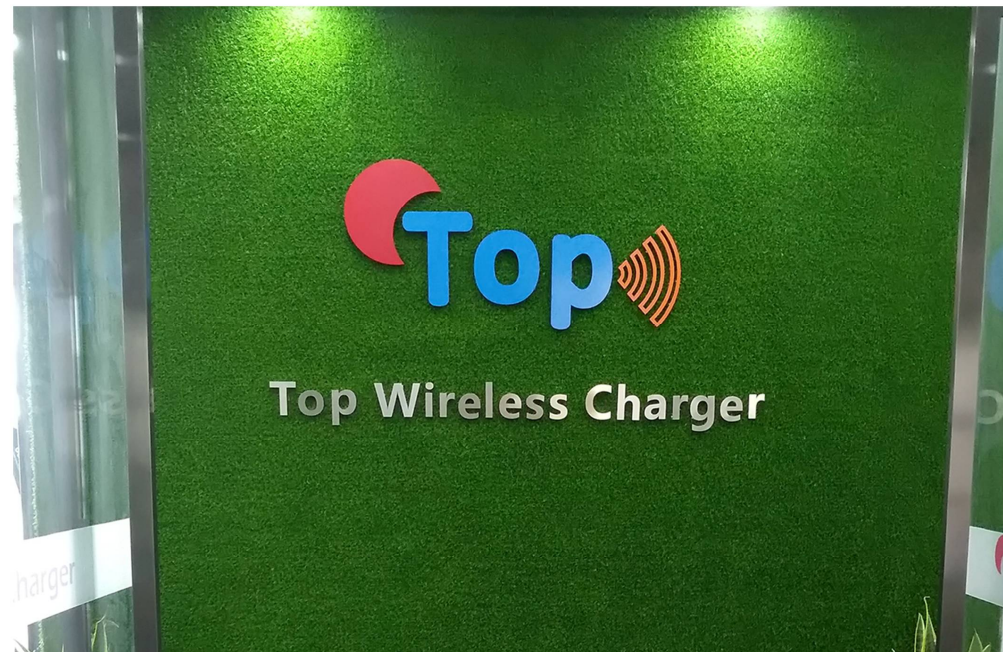

By Selection, we choose to input our full engergy, so our clients will always have heir diverse request become reality.

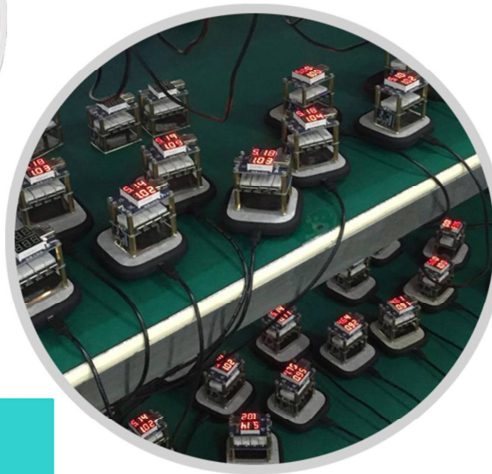

At TopWirelessCharger, we produce large variety of Wireless Charger, Fast Wireless Charger, Wireless Charger Power Bank, etc further more, you will find lots of insightful idea and information about wireless charging products and its industry.

We have been engaged in the manufacture of wireless charger since 2015, almost the same time when the wireless charging just became more and more common.

Our dedicated team, who understand well about wireless charging technology and our skillfull factory workers will just be capable to ensure your diverse orders fullfilled with high quality. For any enquiry about wireless charger, just contact us.

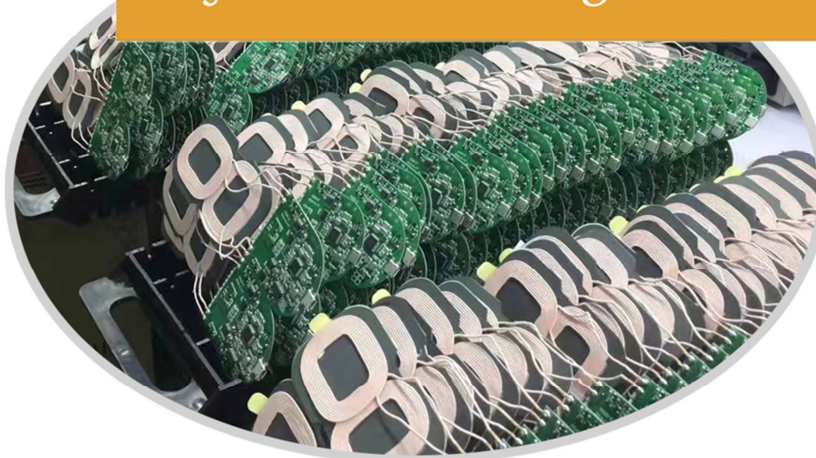

We will be your Best Possible Wireless Charger Supplier !

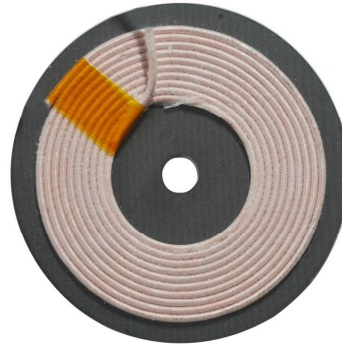

Professional Supplier

Of Wireless Charger Products

Our Products Line

- 1) 5w Wireless Charger
- 2) 10w Fast Wireless Charger Pad
- 3) 10w Fast Wireless Charger Stand
- 4) Wireless Charger Receiver
- 5) Wireless Charger Power Bank
- 6) Public Area Wireless Charger
- 7) Car Mount Wireless Charger
- 8) Daily Life Wireless Charger

Crystal Wireless Charger

Basic Model Best For Gift

WC-015

Another Best Wireless Charger

WC- 041

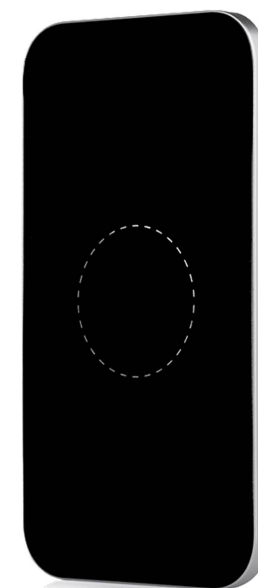

Specification:

Power Rate: 5W

Input: 5V 2A

Output: 1A

Size: 150 x 80 x 6mm

Piano Face, Metal Base

Another Best Wireless Charger

WC- 042

Specification:

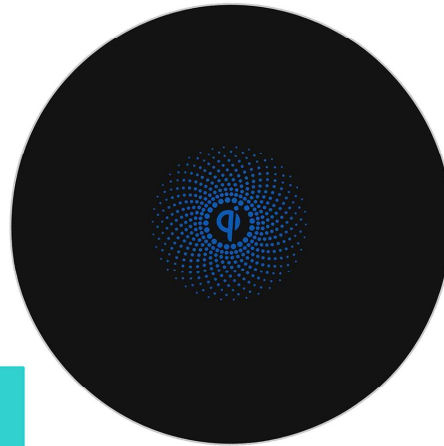

Power Rate: 5W

Input: 5V 2A

Output: 1A

Size: 90mm x 8mm

Elegant Fine Metal Case

Wireless Charger Pad

WC - 050

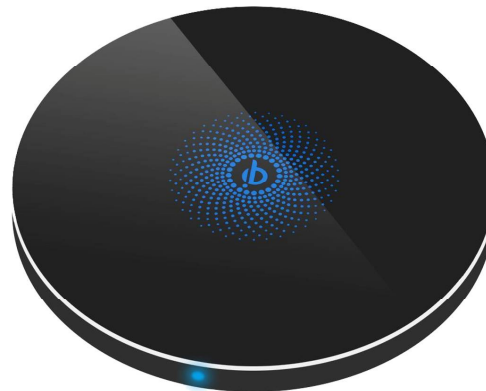

Specification:

Power Rate: 5W

Input: 5V 2A

Output: 1A

Size: 100mm x 8mm

Classic Metal Round

Fast Wireless Charger Pad

FWC - 048

Specification:

Power Rate: 5W

Input: 5V 2A/9V 1.67A

Output: 1A

Size: 85mm x 9mm

Top

Star In The Night

Wireless Charger Pad

WC - 036

Specification:

Power Rate: 5W

Input: 5V 2A

Output: 1A

Size: 100mm x 9.5mm

3 Coils Convertible

Fast Wireless Charger

FWC - 043

Specification:

Power Rate: 10W

Input: 5V 2A/9V 1.67A

Output: 1A

Size: 120 x 70 x 23mm

Classic Round Pad

Fast Wireless Charger

FWC - 036

Specification:

Power Rate: 10W

Input: 5V 2A/9V 1.67A

Output: 1A

Fine Leather Surface

Fast Wireless Charger

FWC - 010

Specification:

Power Rate: 10W

Input: 5V 2A/9V 1.67A

Output: 1A

Size: 97mm x 10mm

6.5mm Super Slim Metal

Fast Wireless Charging Pad

FWC - 34

Specification:

Power Rate: 5W

Input: 5V 2A/9V 1.67A

Output: 1A

Size: 98mm x 6.5mm

Super Slim Metal Case

Fast Wireless Charger Pad

FWC - 018

Specification:

Power Rate: 5W

Input: 5V 2A/9V 1.67A

Output: 1A

Size: 100mm x 5mm

7mm Stylish Metal Base

Fast Wireless Charger

FWC - 020

Specification:

Power Rate: 10W

Input: 5V 2A/9V 1.67A

Output: 1A

Size: 90 x 90 x 7mm

Dual Transmitter Coils

Fast Wireless Charger Stand

FWC - 014

Specification:

Power Rate: 10W

Input: 5V 2A/9V 1.6A

Output: 1A

Size: 115mm x 70mm

Stylish Diamond Motif

Fast Wireless Charger Pad

FWC - 033

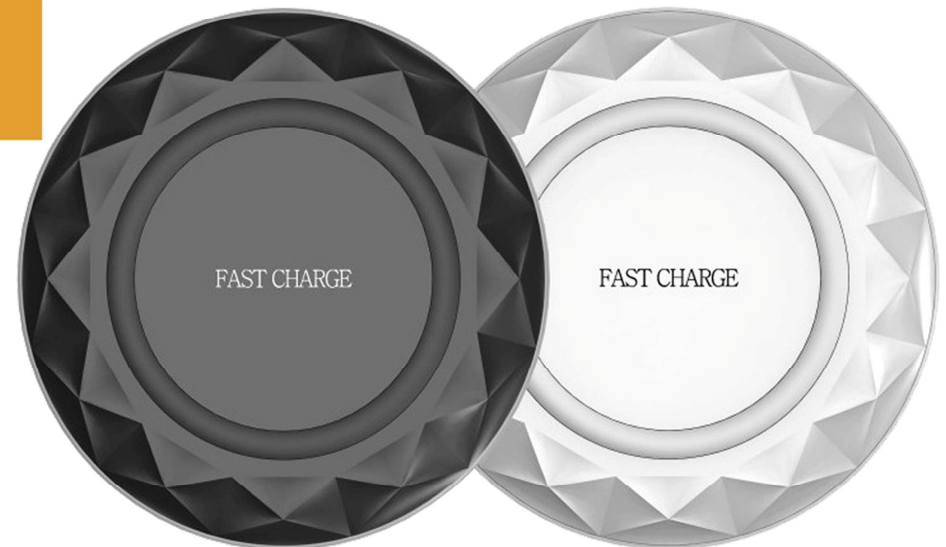

Specification:

Power Rate: 10W

Input: 5V 2A/9V 1.67A

Output: 1A

Size: 100mm x 85mm

Fabric Coating Premium

Fast Wireless Charger Pad

FWC - 037

Specification:

Power Rate: 10W

Input: 5V 2A/9V 1.67A
